Request for Certificate of Correction:

Consideration has been given to your request for the issuance of a certificate of correction for the above- identified patent under the provisions of Rule 1.322 or 1.323.

The error complained of in your request cannot be corrected since: "per the examiner, there was no clerical error on the part of the Patent and Trademark Office. Applicants failed to correct the related application data by filing an amendment in response to examiner's office action during the prosecution".

In view of the foregoing your request in this matter is hereby **denied**.

Further correspondence concerning this matter should be filed and directed to Decisions & Certificates of Correction Branch.
